SIMATS ENGINEERING

Saveetha Institute of Medical and Technical Sciences

Chennai- 602105

Engineer to Excel

Student Name: Rachitha R **Reg. No.:** 192421058

Course Code: CSA1409 **Slot:** A

Course Name: Ethical Hacking

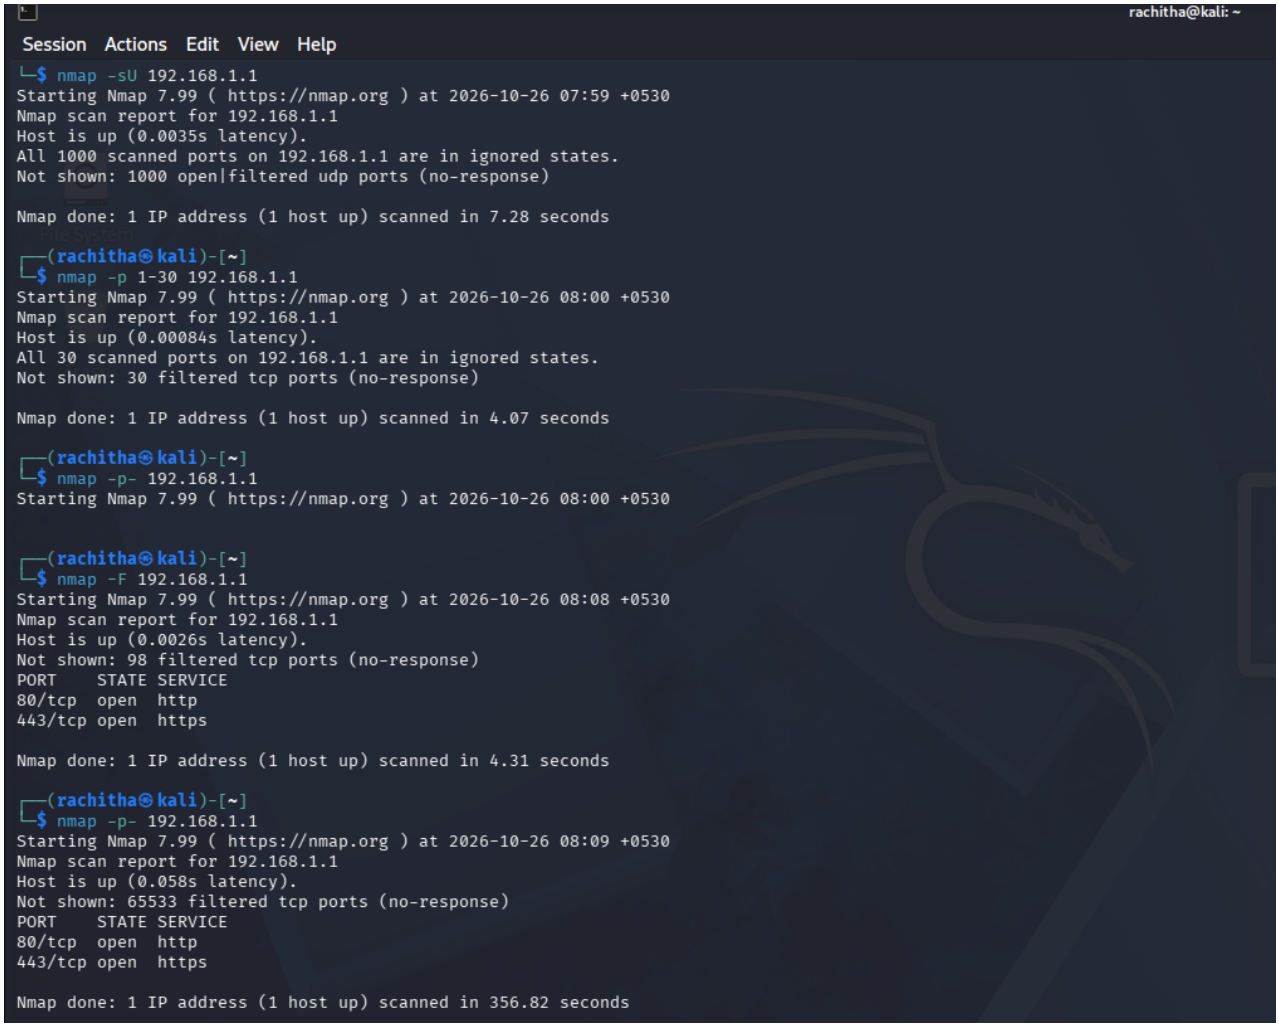

Course Faculty: Dr.J.Ruby Elizabeth

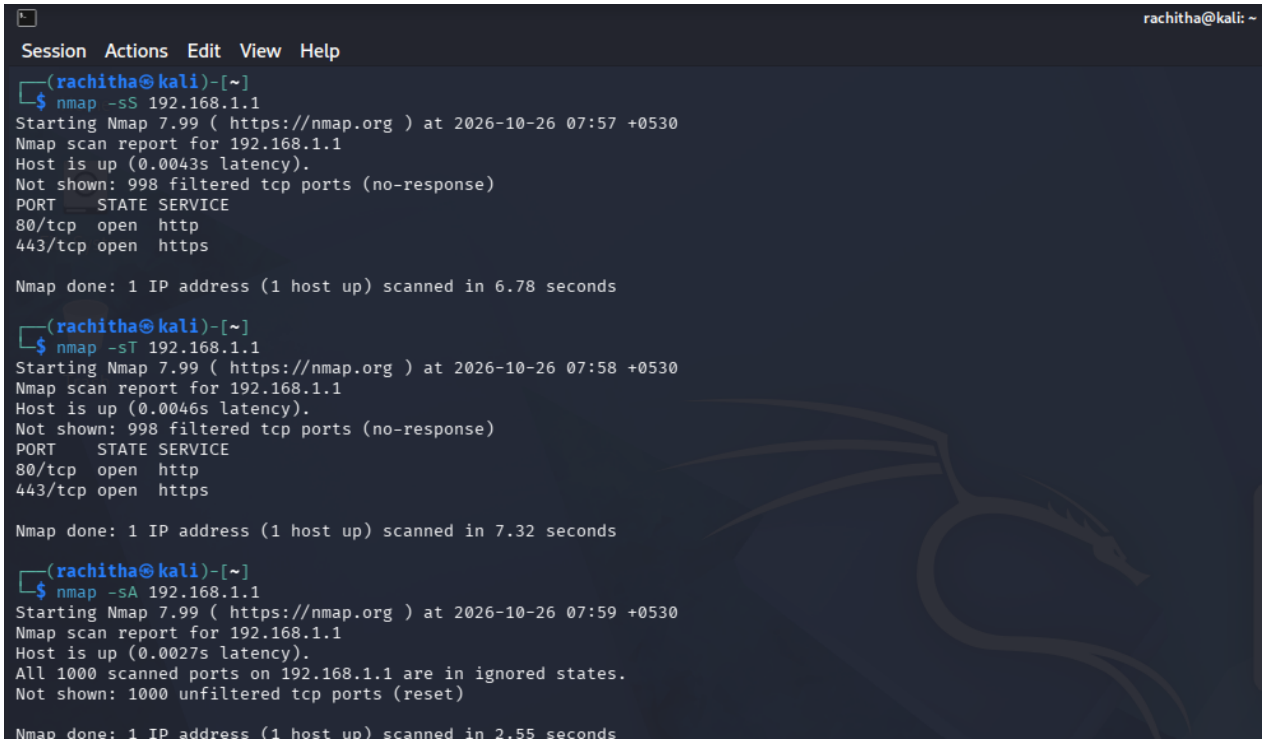

EXP:12 Port Scanning Tools

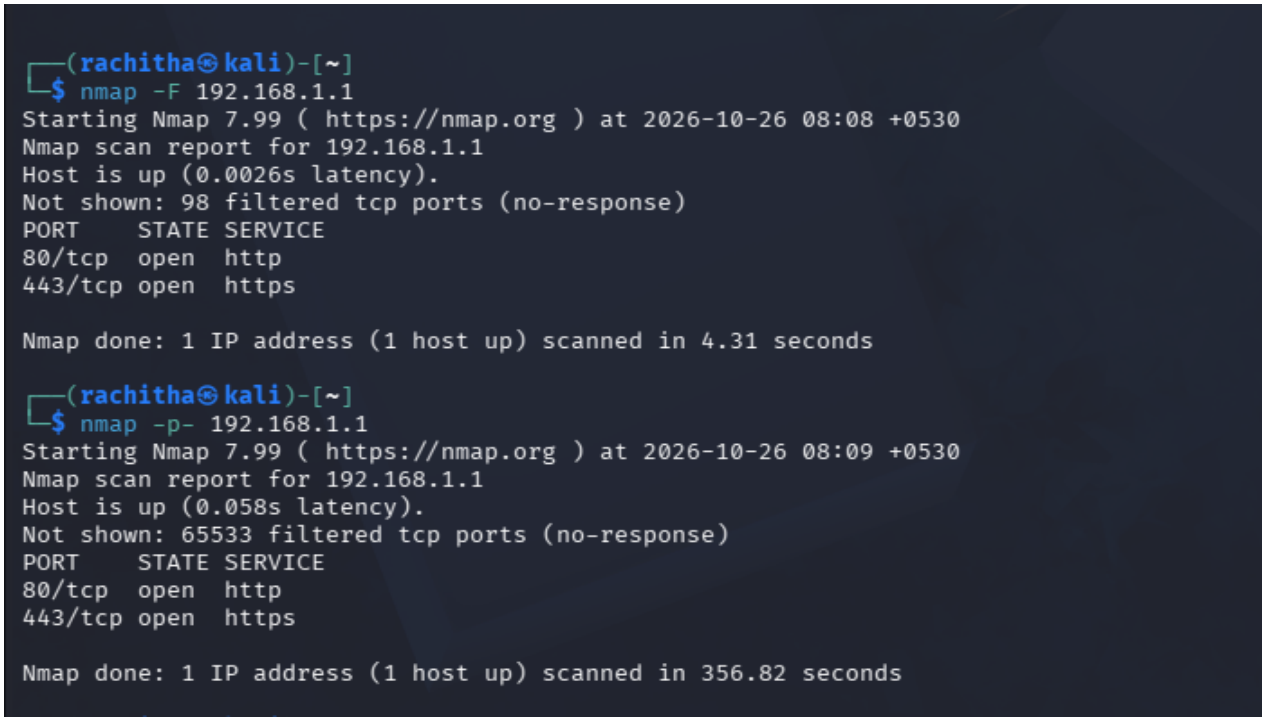

Aim:

To study and perform different types of port scanning using Nmap in Kali Linux.

Output:

Result:

Thus, different port scanning techniques, including TCP SYN, TCP Connect, UDP, ACK, FIN, NULL, Xmas, RPC, and Idle scans, were studied using Nmap in Kali Linux. Port ranges, all-port scanning, and fast scanning commands were also examined.
